Dear KPIS Community,

First of all, we hope that you had a good holiday season and are still enjoying the time off. I assume that you all have received the letter from us or have read in the news that all schools have been mandated by the Ministry of Education of Thailand to close our campus, at this moment, **until January 31st 2021.**

As we prepare for the shift to a distance model for our students to continue their learning, we would like to ask for your input [through this survey](#) in order to provide the best experience possible for our students.

Your comments and suggestions are valued. All responses will be collected and factored into decisions made by our school teams.

Please complete the survey **by Thursday January 7, 2021.**

Thank you in advance for your time, collaboration and valued input that you will provide.

Regards,

KPIS Leadership Team
