

## Nursery Teacher Job Description

### Preschool at KPIS

KPIS preschool teachers and staff believe that children have the right to quality childhood which includes a nurturing environment that supports and nurtures a child's physical, social, emotional, and cognitive development, an environment that promotes individual differences and fosters development at a pace appropriate to each individual child and where children can explore and initiate their own learning.

Nursery to Pre-Kindergarten adopted the Creative Curriculum which is a comprehensive, research-based curriculum that features exploration and discovery as a way of learning, enabling children to develop confidence, creativity, and lifelong critical thinking skills. It is designed to help educators at all levels of experience to plan and implement a developmentally appropriate, content-rich program for children with diverse backgrounds and skill levels. Partnership with families is embedded in the curriculum which is strongly encouraged for both school and home to work together as it is vital in forming healthy and successful early years.
